Yukesshwaran K T

Erode, TamilNadu | ***+91 8072686330*** | ***yukesshwarankt@gmail.com***

EDUCATION

Kongu Engineering College, Erode ***November 2022 - March 2026***

- Bachelors of Technology(B.Tech) in Information Technology | CGPA: 7.49

Saratha Matric Higher Secondary School, Erode ***June 2020 - May 2022***

- High School | 77.5%

TECHNICAL SKILLS

Languages : Java, JavaScript

Frontend : ReactJS, HTML5, CSS3, Tailwind CSS

Backend : Node.js, Express.js

Database : MongoDB, PostgreSQL

AI Tools : Cursor, GitHub Copilot, Antigravity AI, Claude

PROJECTS

Food Delivery Website

Built a full-stack food ordering system with Admin and Customer modules. Created an intuitive UI for menu browsing, order placement, and tracking. Implemented RESTful APIs for seamless frontend and backend communication.

Tech Stack: React.js, Node.js, Express.js, MongoDB, HTML/CSS

Prep Genius

Engineered a full-stack AI-powered platform for mock interviews and resume analysis. Integrated OpenAI API to generate context-aware interview questions and feedback. Architected scalable RESTful APIs for user data and session management.

Tech Stack: React.js, Node.js, Express.js, Prisma, OpenAI API, Tailwind CSS

Lung Cancer Classification Using Hybrid Model

Developed a hybrid lung cancer classification system using Efficient Net (deep learning) and machine learning models (SVM, LR, RF) on CT scan images, achieving 97.32% accuracy. Built an end-to-end pipeline for CT image prediction including preprocessing, deep feature extraction, hyperparameter tuning using GridSearchCV, and integrated Grad-CAM for model explainability.

Tech Stack: Python, CNN, Deep Learning, GridSearchCV, Grad-CAM

Billing And Accounting Suite

Implemented a role-based billing system with Admin, Cashier, and Labor modules. Built features for invoice generation and transaction tracking. Enhanced user experience with intuitive financial workflow interfaces.

Tech Stack: React.js, Node.js, Express.js, MongoDB, HTML/CSS

RELEVANT COURSE WORK

DBMS | Object-Oriented Programming

AWARDS AND CERTIFICATIONS

AWS Certified Cloud Practitioner

Won 3rd Prize in Paper Presentation “UI/UX Design” at Nandha Engineering College
